

The Hunt For Your Good Taste Ends here!

The only thing we should do for the best grade sweets and savouries is to look out with our eyes wide open. The seed for this beautiful experience was sown on **7 December 1987** and the paradise was named **Madhurima Bakery**. It laid its foundation at **Puthanathani** in **Kerala** and the founder of this alluring institution is **Mr Abdul Hameed Kottakulath** with **Mr Ali C V** as its manager. This bliss in every bite experience was established because of the immense passion to serve good food to all without any social discrimination as well as to propagate our culture of gratitude and heritage. We initiated supplying a lot of unfamiliar desserts and drinks like fruit salad, lassi, falooda, lime juice etc to the local province at the beginning period and this paradise, continue to succeed in serving everyone with its delicious bites with brimming love. We proudly state that now and then we are the best for providing fine quality bread in the market. And later, the branch was extended because of our great progress in satisfying people and it paved a way to its sub-branches to enter into the scene. Our branches, the first one was named **Manna bakery** which was laid on **4 April 1998** and the other was started on **12 January 2020** named **M-Fresh** in **Puthanathani** itself. Now also we maintain to run diligently because of our customer's contentment and love in return, directed by **Mr Mohammed Saleem K**. The great speciality of us is our magic in service and our scrumptious 'baked happiness' make us proud in the dining world with its enormous features of excellence. We provide you with the best quality satisfying dine out with a tidy environment. Your health is one of the major concerns of ours which forced us to, create a key principle of quality over quantity, which is our important attribute ever. Ultimately we win every heart with our blissful edibles and make you happy with your choices. So, when you hunt for your happiness, hunt for the best!
